

Scholarships

God's Garden Child Development Center offers a limited number of scholarship opportunities for young children that are enrolled in one of our programs, yearly. Scholarships help families afford high quality early care and education for their young children.

Scholarships are made available to families on a first-come, first-serve basis and are tied to family income levels and/or financial hardship. They are available for parents who may be working, looking for work, or improving their work skills through training or education. Other eligibility requirements apply.

In order to receive a scholarship, families must complete an application, attach the required documentation, and submit to the Preschool Director. Required documentation may include pay stubs, tax records, written statement from current employer, public assistance (AHCCCS, Food Stamps, etc.) letter, etc.

If you are interested in applying for a scholarship, please contact the Preschool Director, Michelle Rhodes, at directorgodsgarden@horizonchurch.com or 480-460-0081.
