

Scholarship Application Information

Dear Parent(s) or Guardian(s):

God's Garden Child Development Center offers a limited number of scholarship opportunities for young children that are enrolled in one of our programs, yearly. Scholarships help families afford high quality early care and education for their young children.

Scholarships are made available to families on a first-come, first-serve basis and are tied to family income levels and/or financial hardship. They are available for parents who may be working, looking for work, or improving their work skills through training or education. Other eligibility requirements apply.

In order to receive a scholarship, families must complete an application (see attached), attach the required documentation, and submit to the Preschool Director. Required documentation includes one of the following: one month of recent pay stubs, current tax records, written statement from current employer, public assistance (AHCCCS, Food Stamps, etc.) letter, etc. You must also provide proof of legal residency for your child.

Parents must apply for scholarships in the following order:

- 1) Quality First Scholarship (birth to 5 years)
- 2) ACSTO Scholarship for Kindergarteners only (if applicable)
- 3) Horizon Church Scholarship (birth to Kindergarten)

Only if you do not qualify for the Quality First Scholarship should you apply for the Horizon Church Scholarship.

The initial deadline to apply for the Horizon Scholarship is August 16th. There is a 7 to 10 day turn around time for notification regarding Scholarship Approval. Scholarship applications may be submitted after August 16th if funds are available. Contact the director for more information.

Please contact me with any questions.

All my best,

Michelle Rhodes, PhD
