Dear Parents,

We are excited to announce this year we will continue to use brightwheel as our online billing system for tuition payments, daily Sign-in and Sign-out, attendance, communication, photos, videos, and so much more!

Directions

Download the  **brightwheel** app on your phone to use at school daily!

Getting Started:

1. **Create a free brightwheel account.** After you receive an invitation via email or text, please create a free parent account using either the web or mobile app. Make sure to use the same email address or cell phone number that the invitation was sent to.
2. **Confirm your child's profile.** You will see your child's profile after you create an account – you can confirm information such as birthday, allergies, and additional contacts. If you do not see your child's profile, please contact us with the email address or phone number you used to sign up. You will not see updates within brightwheel until it is used regularly.
3. **Set your account preferences.** You can adjust your notification preferences within your profile settings on the app.
4. **Add your payment information.** Brightwheel offers secure, automated online payments that save time for us and gives you advanced tools and reporting. Please add your payment information to your profile.

Daily usage:

Use the mobile app on your phone to scan the QR code at your child's class kiosk daily to sign your child in and out of school. This replaces the paper and pencil version of signing in and out daily.

We're so happy to be using this state-of-the-art billing system here at God's Garden. We hope you enjoy using it. Please let us know if you have any questions or need help getting your app set up.

Thank you,

God's Garden Front Office Staff
